Alexandria, VA 22313-1450

Dear Sir:

In accordance with the duty of disclosure, enclosed is a copy of the IDS Citation Form PTO/SB/08 or PTO-1449, together with copies of the documents cited on that form, except for copies not required to be submitted. This IDS and Citation Form are being submitted after a non-Final Office Action. The IDS includes previously cited non-patent literature that was not formally considered by the USPTO but has been previously provided. The reason for the lack of consideration may be due to the lack of known publication date of the recitations. However, Applicant respectfully acknowledges that the Examiner has the information available to her and respectfully requests that she consider such references and acknowledge the same.

The submission of the Information Disclosure Statement is not to be construed as a representation that a search has been made in the subject application and is not to be construed as an admission that the information cited in this statement is material to patentability.

Please charge any fees due to Deposit Account 02-2666.

Respectfully submitted
